APPLICATION FOR ACTIVE PARISHIONER TUITION RATE 2020-2021

Family Name: _____

Address: _____

Phone: _____ (h) _____ (cell)

Student(s) name and grade(s):

St. Patrick's Catholic School is the primary Catholic educational outreach of St. Patrick's Catholic Church. Active parishioners of St. Patrick's Parish who are in good standing may qualify for a discounted rate of tuition.

Active Parishioner Requirements:

To be considered an "active" parishioner, the parish takes into account family and individual involvement in parish life, ministries, and regular Mass attendance. Mass attendance is tracked and recorded through collection envelopes (may be requested from parish office). All applicants for Active Parishioner rates must meet in-person with the parish priest before the rate can be determined. Proof of Tuition Assistance Program (TAPS) is required to qualify for the rate.

Members of other Catholic parishes may also apply for the Active Parishioner rate. By signing this form, the pastor of another parish agrees to pay the assessment in consultation with the parish priest of St. Patrick's Parish. The subsidy for the rate will be assessed to the applicant's parish.

Active Parishioner rates are determined annually and applications must be renewed each year. New members of the school community default to the Standard Rate and the Parishioner Rate is applied at the end of the academic year.

Please submit the completed form by May 4, 2020. Parish seal is required.

I certify the above for Catholic tuition rates:
