

ACCEPTABLE USE POLICY FORM FOR TECHNOLOGY

Student/Parent

DIOCESE OF WHEELING-CHARLESTON

Catholic schools in the Diocese of Wheeling-Charleston make every effort to provide a safe environment for teaching and learning with technology. The use of technology by students, faculty and staff is a privilege not a right. The students, faculty, staff and entire school community are granted the privilege of using the hardware and software, peripherals, technology devices and electronic communication tools including the Internet. With this privilege comes the responsibility to use the equipment correctly, respect the name and intellectual property of others, and follow the policies outlined below. It should be understood that the use of these technologies will be monitored by the school administration and should not be confused with private home use. The guidelines provided in this document outline the responsibilities that are associated with the use of technology. There is no expectation of privacy for use of Diocesan technology and the Diocese reserves the right to monitor all electronic communications and devices to insure that activity is consistent with these policies.
